

STANDING LEG CURL

#410895	Base Length: 30 ⁵ / ₈ "	Base Width: 37"	Height: 51 ²⁷ / ₃₂ "	Weight: 145 lbs.
Description			Features	

The Standing Leg Curl is designed to work with any cable tower with a low cable hook-up and is an ideal tool for rehab work.

- Built in casters for easy movement
- Customizable color options available

Adjustable foot pads allow proper fitting to athletes of any height and built in casters allow the Standing Leg Curl to be tilted and rolled away when not in use, freeing up floor space.
