FTS [FOLD TO STORE] SYNCHRO BENCH

#410984	Base Length: 52 3/8"	Base Width: 20 5/32"	Height: 17"	Weight: 150 lbs.

Description

Designed to be used in the rack or standalone. Easily attaches to the rack via our folding lock mechanism. When docked, guide rails allow the user to extend or retract the bench to the desired position with 25" of travel.

The new Folding Synchro Bench (FTS) quickly lifts into a vertical stored position saving both time and precious floor space. Now you can perform ground based movements without having to remove the bench. Foot pedal release keeps bench safely locked until you are ready to use again.

Compatible with our Basic, Full, Dual XL, Dual XXL, and Mega XXL racks.

Features

- Seat back adjusts from 0° to 80° in six positions
- Seat bottom adjusts from 0° to 15° in four positions
- Folds securely out of the way when not in use.
- Available with wide and narrow pad options
- Customizable color & school branding options available
